

## Hotel Accommodation

Please book your own hotel accommodation using the booking form that is posted here. You will need to print the form, fill out the details and fax it to the number shown at the bottom of the form with credit card information.

The rates quoted are the corporate rate available for the University of Hawaii and are significantly below the normal prices.

This hotel is one of the older ones in Waikiki but the rooms, while small, are clean and in a good state of decoration.

We have a total of 40 rooms reserved, most are at the lower rate, but some are at a higher rate to make up the required number.

The smaller rooms have two single beds or one queen, the larger rooms have two queen sized beds. There is no charge for using existing bedding, but if you want a rollaway there is a \$30 day<sup>-1</sup> charge.

There is no smoking in any of the rooms or inside the hotel.

Except for those who are traveling with their own funds, participants will be reimbursed for hotel and meal expenses for the 4 nights associated with the meeting, June 25th -28th. Participants with home institutions in the United States will be reimbursed by the U.S. GEOTRACES office at Lamont. Participants with home institutions outside the United States will be reimbursed by SCOR (with a few exceptions where reimbursements will come from U.S. GEOTRACES; you will be notified if you are in this group). Reimbursements will be made after the meeting.

The date range blocked out for our meeting is June 23rd through July 1st. If you want to come earlier, or stay later the hotel will do its best to find rooms available and will try to honour the UH rate for the extra days, no guarantees though at this stage.

You must reserve your rooms by May 23rd, after that date the unfilled rooms will be released back to the hotel to allow them to fill them.

Parking is \$15 day<sup>-1</sup>

For those of you bringing spouses/friends, the hotel is very close to Waikiki beach and Kapiolani Park.
