

## Useful web links

The bus service on Oahu is quite good. Their routes and schedules can be found at:  
<http://www.thebus.org/>The number 4 bus is the one that connects Waikiki with the University of Hawai'i

The Meteorology Department's weather server has lots satellite imagery and detailed weather forecasts for each of the islands  
<http://weather.hawaii.edu/>

The Manoa campus web page is  
<http://manoa.hawaii.edu/>

A searchable map of the campus is available at  
<http://www.hawaii.edu/campusmap/>

We will obtain wireless internet privileges for meeting participants. Instructions on how to configure your system can be found at:  
<http://www.hawaii.edu/campusmap/>

The hotel company's web site is at:  
<http://www.oceanresort.com/cgi-bin/ebiz/sea.pl?page=hotelpropertyinformation>

The Oceanography Department's web site is at:  
<http://www.soest.hawaii.edu/oceanography/>

Two local daily newspapers  
<http://starbulletin.com/>  
<http://www.honoluluadvertiser.com/apps/pbcs.dll/frontpage>

A more interesting (and usually more grammatical) free weekly paper  
<http://www.honoluluweekly.com/>  
This site has many links to local entertainment

A general tourism site can be found at :  
<http://www.gohawaii.com/oahu/>  
You can link to other islands through this site as well
